ELIZABETH A. BROWN
CLERK OF SUPREME COURT
BY 
DEPUTY CLERK

ORDER DENYING PETITION FOR WRIT OF MANDAMUS

This original petition for a writ of mandamus challenges a district court discovery order adopting a discovery commissioner's recommendation.

"A writ of mandamus is available to compel the performance of an act that the law requires . . . or to control an arbitrary or capricious exercise of discretion." *Int'l Game Tech., Inc. v. Second Jud. Dist. Ct.*, 124 Nev. 193, 197, 179 P.3d 556, 558 (2008); *see* NRS 34.160. Having reviewed the petition, answer to the petition, and reply, we decline to exercise our

discretion to entertain the petition. *See City of Mesquite v. Eighth Judicial Dist. Court*, 135 Nev. 240, 242, 445 P.3d 1244, 1248 (2019) (entertaining a writ petition is within the court's discretion).

Petitioners have not met their burden to demonstrate that extraordinary relief is warranted. *Pan v. Eighth Jud. Dist. Ct.*, 120 Nev. 222, 228, 88 P.3d 840, 844 (2004). Specifically, we are not persuaded that an appeal following a final judgment would be an inadequate remedy. *Id.* at 224, 88 P.3d at 841. Accordingly, we

ORDER the petition DENIED.¹
