- Ms. Barker stated they held their 2.67 conference and Defendant Walker was the only one that brought exhibits, Defendant Walker has not received either Plaintiff's or Defendant Lynn's proposed exhibits, Defendant Walker has been prejudiced by both Defendant Lynn's and Plaintiff's failure to provide proposed exhibits, and Ms. Barker requested that all of Defendant Walker's exhibits be admitted. Ms. Barker further stated Defendants' joint medical expert, Dr. Schfini, is only available Thursday afternoon and there is a concern that direct examination and cross examination will not be able to be completed in time which will prejudice Defendant Walker. Further, Ms. Barker stated she Was advised that Defendants' joint expert Dr. Rosen has now come forward with some scheduling issues and may not be available at the times needed for trial. Ms. Barker stated, there have been some new developments since the 2.67 conference which may result in Mr. Walker needing to obtain new counsel. Lastly, Ms. Barker stated she is pre-obligated to appear at the University of Oregon with her son. Ms. Barker requested that Plaintiff and Defendant Lynn be precluded from providing exhibits, or in the alternative, that Court grant a continuance to permit the meaningful exchange of proposed exhibits and the opportunity for Defendants' experts to be present during the case. Mr. Sampson stated he had no opposition to a continuance and that he did provide a disc containing the exhibits he just did not print them or put them in binders. Mr. Shirts stated he was only advised this morning

that Dr. Rosen would not been available, his client cannot be available for the whole ten day trial, and he also provided a disc with exhibits. Colloquy regarding witness issues, non-compliance with 2.67, 2.69, and Court's orders, and setting a show cause regarding potential sanctions the for non-compliance. Court directed counsel to confer as to a time to set a show cause hearing. Stipulation to dismiss Defendant Sean Suggs SIGNED IN OPEN COURT. Court directed counsel to have the corrected caption on upcoming pleadings pursuant to the pretrial memorandum that the caption would be changed. Matter trailed until 11 p.m. for parties to confer and provide a date and time as to the show cause hearing.

RECALLED. Same parties present as previously now present via telephone.

Court noted the minutes from May 19, 2016 that counsel represented that Plaintiff had everything, there were joint trial exhibits, and there was full compliance. Colloquy as to when parties originally contemplated requesting a continuance. Court stated it could either grant the continuance with parties having another 2.67 conference that is compliance with the rules or hold an order to show cause for non-compliance. All parties agreed to continue the trial. Upon inquiry by the Court, parties agreed they were not asking for new deadlines to be opened up. In light of all parties requesting matter be continued, and agreement of counsel that those that have not already complied will comply, Court does not find it necessary to conduct an order to show cause, COURT ORDERED, joint oral motion to continue trial GRANTED, the parties must re-conduct a 2.67 conference and bring the appropriate things to the next calendar call. Colloquy regarding trial setting. Parties agree to be set on the October stack. Court stated the October trial stack is a Construction Defect stack and the new trial dates will be provided in a new trial order.
