Docket 88766 Document 2024-19290

RECEIVED
MAY 30 2024
CLERK OF THE COURT

STATEMENT OF FACTS: Upon being kidnapped from Iowa, On July 14, 2021, MATTHEW TRAVIS HOUSTON (hereinafter "Petitioner-Appellant") was abducted from his hotel room at the Best Western located at [redacted] 3011 St. Rose Parkway in Henderson, Nevada, as he was not served with any sort of Summons or WARRANT, nor was told or read that he had any kind of rights. This false arrest prevented Petitioner-Appellant from attending his appointment the very next day at Nevada Retina Specialists, with Dr. Tyson Ward on July 15, 2021, while this continued imprisonment of his person also prevented him from attending his medical disability rating in Reno, Nevada, on August 15, 2021, with Dr. Dwagleri. Both appointments of which had been scheduled by the abductors, SEDGWICK's Dianne Ferrante, and her alleged supervisor, Rosemarie McMorris-Alexander, as was the booking of his room.

The Petitioner-Appellant's attempt at release from CCDC was intended so that he could search for, and hopefully, retrieve his service animals. However, the now-dismissed counsel, J. Wood & Bernard Little, provided misinformation regarding the lack of a directly-related "City Jail Detainer Hold". Counsel had told Petitioner-Appellant, all the while coercing his client into a potential release from custody, that he "did not see a detainer hold" - when, in fact, there was. This coercion of the client by his previous representation created a second double-jeopardy - in LAS VEGAS MUNICIPAL COURT #12483344 + #C1237802A; with the first being by J. Wood in the EIGHTH JUDICIAL DISTRICT COURT 21-CR-019840 + 21-CR-033713. A. Goldstein never visited Mr. Houston. These traumatic events are a cruel and unusual punishment being inflicted upon an abused and innocent man, who was forced into an involuntary relocation, with unnecessary hardships causing the eviction of his law office located at 435 South Linn Street #927, in Iowa City, Iowa (52240), [redacted] extreme amounts of property damage and the destruction of his K-9(s).

Due to crimes both civil and criminal, not to mention the willful omissions of Rosemarie McMorris-Alexander and Dianne Ferrante, SEDGWICK and the prosecutions most unlawful use of overreaching tactics in their exploitation of the innocent man has put the Petitioner-Appellant into an unmanageable state of duress, homelessness, and extensive incarceration. ENCORE EVENT TECHNOLOGIES was Mr. Houston's employer and the primary party responsible for the causation of his industrial work accident on Sept. 30th, 2016. SEE 17A003396 (Voc.)

Catrone v. 105 Casino Corp., 82 Nev. 166, 168, 414 P.2d 106, 107-08 (1966). C. NATURE OF THE CASE

Briefly state the background of your case. TIERRA DANIELLE JONES' abuse of discretion in this 2ND wrongful conviction of the Plaintiff- C-21-357927-1: Judicial officer's can be very much liable for damage, especially in their neglect of disabled individuals like Mr. Houston. LISA ANDERSON is liable for abuse and/or neglect of a dependant person, and David M. Jones is just as liable as is Tierra Danielle Jones is in their having subjected Mr. Houston to 8TH AMDT violations retroactively from September 20, 2016- September 30, 2016. Benard H. Little's coercion of a dependant person is the antithesis of UNCONSTITUTIONAL. The Plaintiff, Mr. Houston, became a dependant person on the day of September 30th, 2016, after he fell 45' feet and died, and was in a coma for 3-2-E months. He continues to ~~suffer from COMPLEX POST-TRAUMATIC STRESS DISORDER~~ suffer from COMPLEX POST-TRAUMATIC STRESS DISORDER.

C. NATURE OF THE CASE

Briefly state the background of your case. Magistrate Melisa De La Garza could have, and should have applied Mr. Houston to MENTAL HEALTH COURT... Haley Beza was either in a hurry for a pay raise, or she was bribed along with Kristina A. Rhoades in their malicious prosecution against Mr. Houston. It is demanded by the Plaintiff of this Honorable Court that the movie and book, CASINO, be admitted into evidence, as organized labor and their negligent employers paint a picture of the UNCONSTITUTIONALITY of corrupt businesses in the United States, most specifically businesses in the STATE OF NEVADA and it's judicial "business". Again, this Amended Complaint is in no way intended to disrespect or threaten either 2-F Daniel J. Albregts or Craig S. Denny, as for almost seven years now, the Plaintiff is seeking repairations and JUSTICE, not revenge of any sort.

C. NATURE OF THE CASE

Briefly state the background of your case. On this 26TH day of August, 2023, it should be of no suprise to this court that there's conspiracy and corruption: The Scandal of JENNIFER TOGLIATTI and her interferance into Mr. Houston's innocence was demonstrated in the background of the prosecutorial misconduct of C-17-323614-1, and was further manipulated by the business of GENE PORTER'S "Private Trials, Inc.". As the wrongfully convicted ~~movant~~ moving party, Mr. Houston continues to suffer indefinetely having been forced against his will to bear an unnecessary burden in demonstrating that the courts have overlooked and misapprehended material points of law and fact that are extremely UNCONSTITUTIONAL. To compare and contrast in these troubling times, an example is the indictments (2-G) against Mr. Trump. Is the malicious prosecution against Mr. Houston so much different?

(Position of Title) (Institution)

C. NATURE OF THE CASE

Briefly state the background of your case. Sheriff Joe Lombardo was liable for the damages against Mr. Houston before he became Governor. He still is liable today. The question(s) for OUR LADY JUSTICE is, "WHY?" Why Mr. Magistrate Judge Craig S. Denny? Why do you even exhist? Why do any of these bad actors even exist in the crimes against Mr. Houston? Is it because bullies taunted and continue to taunt as did the malicious prosecution? The Chief Justice of the 9TH. CIR. obviously re-appointed this case to be heard by a judge in Montanna for a REASON. The background of this case demonstrates that Mr. Craig S. Denny has ignored law, and must be hiding... what a poor recommendation Mr. Denny's recommendation shall be stricken to allow him to hide something...

over 130 pages of meritorious claims regarding the $36,500,000.00 in property destruction committed by the Defendant-Respondents are validated by the fact that the Plaintiff's claims are indeed worthy of the most serious attention. However, Jennifer A. Dorsey acted in haste as she neglectfully STRUCK exhibits of evidence and the valid and meritorious DOCUMENT 13 from Case No. 2:22-cv-00693-JAD-NJK. Not to worry judicial economy and OUR LADY JUSTICE as an emergency backup has been filed as the "MIRANDA-MEMO-RAN-DAMNED" in Case No. 2:22-cv-01285-MMD-VCF. The pleadings and evidence have also been forwarded to the NINTH CIRCUIT COURT OF APPEALS No. 22-15748, and SUPREME COURT OF NEVADA APPEALS 79408-84887. Other then the blatant corruption of Defendant-Respondents not limited to "Sheriff" Joe Lombardo and "Mayor" Carolyn Goodman, government has NO or had any sort of probable cause for the false arrests and continued false imprisonment of my person. On the night of September 20th, 2016, my friend Morgan Anne Metzger was assaulted by LVMPD, resulting in the false arrest and false imprisonment of my person. On the evening of July 14th, 2021 I was again abducted by individuals with firearms and other weapons whom identified themselves as "law enforcement", Miranda M. Du's published lies coincide with the deliberate indifference of Jennifer A. Dorsey, further validating the conspiracy between individuals and entities in government and the worker's compensation scheme in the State of Nevada. This scheme is what caused the events of october 1st, 2017 and the purchase of the Cosmopolitan by MGM. Now See STEVEN PADDOCK v. COSMOPOLITAN, ET AL. In all reality, the Defendant-Respondents have been denying the Plaintiff access to the courts for 38 years. Now See Aaron Scott, DREW EDWARDS, BRIANNA TAYLOR, GEORGE FLOYD. NDOC has been negligent in ensuring Mr. Houston attends court. (SEE ATTACHED KITES) RE August 23 2023 RE NANCY ALLF

CLAIM 3

4. Supporting Facts: State as briefly as possible the FACTS supporting Claim 3. Describe exactly what each specific defendant (by name) did to violate your rights. State the facts clearly in your own words without citing legal authority or argument.

Technically the retaliation is retroactive, in multiple jurisdictions, and all of these meritorious and valid claims are well documented within government. The first time I was illegally assaulted by law enforcement was approximately 1994, at my home and backyard of Cardinal Elementary School in my hometown of Maquoketa, Iowa. Ever since then, "you people" have never left me alone. My experience in law enforcement with the United States Navy is not within this courts jurisdiction to discuss however, the facts remain, as will your courts history and it's story of the treatment and extermination of my people. The question(s) for Our Lady Justice today is, "Which judge will be assigned to my complaint?" In pondering that question, a great many variables are to be considered... will that judge actually read any of this, and be kind enough to do a tid bit of investigation themselves? Now SEE my show from the 1980's.. it was called Matt Houston. Yes sir or ma'am, that was NOT really me, because I'm law of reality.

If you assert more than three claims, answer the questions listed above for each additional claim on a separate page. The reality that the Plaintiff has suffered and continues to be victimized is (5) NOT any sort of delusion, as is the defendants who have caused ~~this BATTERED PERSON'S SYNDROME~~ is the defendants who have caused MR. Houston's BATTERED PERSONS' SYNDROME.

D. CAUSE(S) OF ACTION

4. **Supporting Facts:** State as briefly as possible the FACTS supporting Claim 1. Describe exactly what **each specific defendant (by name) did** to violate your rights. State the facts clearly in your own words without citing legal authority or argument.

Jennifer A. Dorsey and her accomplice, Magistrate Daniel J. Albregts have went out of the way of justice to block, hinder and thwart all attempts made by the Plaintiff at his obtainment of repairations to be made by the original Defendants, including but not limited to that being of GOLDEN ENTERTAINMENT. Facts supporting this valid claim of APPEAL DEPRIVATION are well documented in the U.S. DISTRICT COURT OF NEVADA - Southern Division of Las Vegas Case No.(s) 2:22-cv-00693-JAD-NJK. Also playing part in this real-life conspiracy against the Plaintiff is the Office of the Attorney General, Gerri Lynn Hardcastle #13142 This is especially because on or around May 25, 2022 she convinced Judge Dorsey to violate Plaintiff's FIRST AMDT. rights when she falsly labelled the Plaintiff, struck his evidence, and barred him from petitioning for his freedom and safety. Chief Judge Miranda M. Du repeated the same negligent abuse of discretion in Case No. 2:22-cv-01285-MMD-VCF and these unjust patterns have been continued by Daniel Albregts, And now most unfortunately this Honorable Court, abuse (3) Page 5-A for both the Plaintiff and of discretion has been Continued by Magistrate Judge Craig S. Denny continued by United States Magistrate Judge Craig S. Denny.

Forcing the Plaintiff, Mr. Houston, to write about how his brain was splattered into his left orbital, into the missing and other faulty fall-arrest equipment of the negligent ENCORE EVENTS SERVICES D/B/A ENCORE EVENT TECHNOLOGIES on September 30th, 2016, in the convention Center ballroom of MANDALAY BAY RESORT AND CASIDO is about as wrong as asking Mr. Houston to write about how his coworker, John Luc Treadway, died from the terrible damages inflicted against him and Mr. Houston after they had both narrowly survived being gunned down by Steven Paddock on that terrible evening they were working Route 91. This Court has a duty to help Mr. Houston heal, and have at least a few more Free years of life given to Mr. Houston. How do we determine the amount of money that a good person is worth? How much $ were the Plaintiffs now stolen Service K-9(s) worth? Can't put a price. The cause(s) of action in (3) Mr. Houston being victim of cruel and unusual punishment (Page No. 5-B) are further illustrated to this Court in the attached NDOC AR GRIEVANCE PROCEDURE to this Court in the previously filed 'NDOC AR GRIEVANCE PROCEDURE.

AMENDED PETITION FOR JUDICIAL REVIEW

in re July 14th 2021 - current date of illegal and extensive incaration at time of this writing being on or about Thursday, January 27th, 2022, after waking up from CPTSD nightmare:

The primary factor showing the judicial biases against petitioner is the fact that Teresa Jones never responded to petitioners first PETITION FOR WRIT OF HABEAS A-19-800219-W prepared while illegally incarcerated at T.L.V.C.C. during his wrongful conviction of put case No. C-17-323614-1, date and dept. Unknown 17F00474X due to petitioners current false imprisonment in fish tank.

THIS DEFAULT STATUS of the state of Nevada is further reinforced by the fact that the petitioners drafts for a 2nd PETITION FOR A WRIT OF HABEAS CORPUS, along with the rest of petitioners correspondence are being withheld by the Clark County Public Defenders office for no reason other than the intentional disregard for injured workers rights. This has is proven by numerous case history, one of which being where an industrial work accident causing workers fatality was determined by the courts to compensate only $10,000 to the surviving family to assist in paying funeral expences. The tragic death was of an employee of Rhino Staging and happened at MGM Grand Arena, and the case is being served a related subpoena in A-17-758861-1 Dept. 29 (and multiple complaints).

As the malicious prosecution of the state has attempted to make an example out of an honest and law abiding man, the petitioner will now illustrate to this court some accurate and truthful examples that explains how reoccurring nightmares effect Dave Groh, as most surely the family of the Rhino Staging employee is still haunted by the loss of their son.

of the Rhino Staging employee is still haunted by the loss of their son.

EXHIBIT __ - NOVEMBER 25, 2021

At just about every Foos concert, the band plays 2011 "Walk," which has some of the most audacious lyrics Grohl – or anyone, really – ever wrote. "Every night when he sings the line *I never want to die*, says Smear, 'I look at him every time and think of Kurt. Every single time. Because Kurt was 'I hate myself and I want to die'. And that's the opposite-ness of them. And I do so love being with the lovers.'

As it happens, Smear is correct about the inspiration behind that song. "It kind of comes from the day after Kurt died," Grohl says, his voice a little softer than usual. "Waking up that morning and realizing 'Oh shit, he's not here anymore.' I am, like, I get to wake up and he doesn't. I'm making a cup of coffee, and he can't. I'm gonna turn on the radio. And he won't. That was a big revelation to me.

"I think also in life, you get trapped in crisis, where you imagine there's no way out. When really, if you dare to consider that crisis a blip on the radar, it's easier to push through. And yeah, I was just like, 'I don't want anyone to have that feeling that I had that morning.'

But in any case, he really means it.

"I'm serious," Grohl says. "I don't want to [*expletive*] die! I know it's inevitable, but I don't want to. That's gonna be such a drag." He's silent for a rare moment, and smiles, baring those battered teeth. "I'll fight it as [*expletive*] long as I can."

– Rolling Stone Magazine
October 2021, page 79

Let this Court's record reflect from page __, line number __, in honor of Appellant's brother Mitchell Ryan Houston, who would have turned the age of 23 on the day that this EXHIBIT was prepared. FOR CLARIFICATION TO THE COURT: BATTERED PERSON'S SYNDROME is a condition characterized by a history of repetitive spousal abuse and learned helplessness. BPS has been defined by California courts as "a series of common characteristics that appear in women who are abused physically and psychologically over an extended period of time by the dominant male figure in their lives; a pattern of psychological symptoms that develop after somebody has lived in a battering relationship;

a pattern of psychological symptoms that develop after somebody has lived in a battering relationship;

...a pattern of psychological symptoms that develop after somebody has lived in a battering relationship; or a pattern of responses and perceptions presumed to be characteristic of women who have been subjected to continuous physical abuse by their mates.

DECLARATION OF MATTHEW TRAVIS HOUSTON

See "Abuse of Process" employment of the criminal or civil process for a use other than one which is intended by law;[2] the improper use of process after it has been issued, that is, a perversion of it.

32 A .2d 413, 415. This was demonstrated by perjury of R. McMORRIS-ALEXANDER

"Malicious use of civil process has to do with the wrongful initiation of such process, while abuse of civil process is concerned with a perversion of a process after it is issued." Id. PLEASE SEE CASE SUMMARIES OF PLAINTIFFS "evictions":

Since surviving Route 91 mass shooting, Sedgwick has only added insult to injury. More than once they've intentionally ignored pleas and requests for recovery. Before 9/30/2017 Plaintiff has never been evicted. Workers compensation has contributed directly and indirectly to evictions from Holiday Royale, South Beach Resort, 4200 Paradise Road, and RISE at Riverfront Crossings.

Sedgwick has stolen in excess of $30,000 from his social security- which is illegal pursuant to the Law of Bankruptcy. Their scam unnecessarily hindered and delayed Plaintiffs claim for 5 years due to not only Sedgwick contributing to imprisonments at CCDC and NDOC, facilities that are inhumane, cruel, risk, and havens for disease, and "situation" and causes of further disability- not to mention, COVID-19. By them hanging NDOC over Plaintiffs head, they have caused a second wrongful conviction. Furthermore, Sedgwick is illegally using public and state of Nevada resources to steal from the Social Security Administration, doctors, dogs, Plaintiffs public safety first responders, and his team of life-saving Americans. They stole from his campaign funds of Joe Lombardo for Governor of Nevada, and many other charitable organizations.

"The first to speak in court sounds right, until the cross-examination begins." Proverbs 18:17; The Holy Bible. CASE SUMMARIES ARE AS FOLLOWS,

~~as When only one side of a case is heard, the evidence often seems convincing~~

as when only one side of a case is heard, the evidence (or lack thereof) often seems convincing.

DECLARATION OF MATTHEW TRAVIS HOUSTON:

Yet when the whole story is told, the initial case often crumbles. (See Petition for Judicial Review, pages 1-12., initially filed as a Notice of Appeal, February 18, 2022. Amended pages 6-16, Venire Facias de Novo.)

Proceeding to a second trial is awarded where a finding by the court "is so defective, uncertain, or ambiguous upon its face that no judgment can be rendered upon it."

See 41 N.E. 383, 386. The State of Nevada shows this as NRCP 59/NRCP 60

Now, if this court would be so kind to read this completely, it will see that the Petitioner has demonstrated a prima facie need for all transcripts, pleadings, and any and all other transcribed material with regards to the above-entitled cases, and ALL cases of the wrongfully convicted Plaintiff / Petitioner / Appellant / Plaintiff-in-Error, who is legally blind-visually impaired.

As the attatched interpleadings show, Mr. Houston has been denied access to the courts to obtain justice in his meritoriously VALID claims relating to malicious negligence, employment discrimination and other problems of FREEMAN COMPANIES' ENCORE EVENT TECHNOLOGIES.

The primary issue of concern is that SEDGWICK CMS' ROSEMARIE MCMORRIS-ALEXANDER fabricated a false police report to L.V.M.P.D. than scheduled Mr. Houston to visit the State of Nevada from his homes in the State of Iowa, located at 1009 Cardinal Dr, Maquoketa, IA, 52060, and 435 S. Linn St. #927, Iowa City, IA, 52240. SEDGWICK CMS knowingly, willfully and maliciously made up their lies about Mr. Houston so that they could avoid their duty to ensure proper compensation to Mr. Houston so that he could recover from his industrial work accident.

LETTER OF MOTION TO THE CLERK:
IS THIS THE SUPER-CLERK of JUSTICE COURT, "JAR" @ THE RJC?

I have been trying to obtain some case numbers since the Defendants destroyed my LAW OFFICE... Could you FWD the attatched LETTER to Clerk of DC-Dept. 20 please?

Is there any possible way that you could help me locate my Stay, of eviction cases, one was "HOUSTON V. HOLIDAY ROYALE," another "HOUSTON V. SOUTHBEACH" and I also had an employment discrimination claim against the IATSE LOCAL 720 and ENCORE EVENT SERVICES.

I Sincerely appreciate your communications, as pro se is extremely difficult due to my situation. Cordially yours,

-MATTHEW TRAVIS HOUSTON

JUSTICE COURT

Case Number 21P01950
LETTER OF MOTION TO THE CLERK(S)
OF JUSTICE COURT, LAS VEGAS TOWNSHIP

August 14th, 2022

My apologies for the mish-mash of case numbers on the following 10 pages, however this is multi-district litigation and we are experiencing extreme tactics of retaliation (at the hands of the Clerks), hence at the High Desert State Prison. I am fortunate to have a super helpful team @ the RJC, yet I have only dealt with Justice Court in the free world in my claims against IATSE #720, and two eviction cases with Holiday Royale and SouthBeach Resort. Sorry 4 my life story but I am still trying to locate those case numbers, specifically my employment discrimination claim against the IATSE #720. For that, District Court assigned me A-22-758861-C and A-22-856372-C. Could you provide me with those and any cases I am involved with? There shouldn't be anything else berides this Dept. 14 case# 21P01950, heard by Judge Amy Chelini to which I am appealing it all the way to the Supreme Court of the United States, and I am in dire need of your aid. I probably should have included 2 copies of my motions, but the Defendants are already DEFAULTED. Page number TWO is my "EMERGENCY NOTICE of APPEAL", preceeded by a SUMMONS as result of the Defendant(s), (who was Plaintiff at the time) making false claims and providing misinformation to the courts and law enforcement. Attached are copies, do I have to send the originals? I'm not really sure how else to go about this, but I trust you will aid me in my efforts to obtain restoration.

Cordially yours—TITLE PAGE x, Matthew Travis Houston

Houston's claims justify his actions based upon his history of victimization and Battered Person Syndrome, including being assaulted in Las Vegas City Jail, also contracting COVID-19 at Clark County Detention Center. "CCDC" Surviving an attack by security at University of Iowa Hospital when in 2021 attempting to see his team. An attack at The Vine in Iowa City. An attack at DC's in Iowa City. An attack at Gabe's in Iowa City. An unknown woman who ~~stole~~ sold K9 Johnny Cash stole money from me and destroyed my apartment. Was abducted in Downtown Las Vegas at El Cortez Casino in March 2020. Robbed by females with a taxi driver in August 2020. (Refer to Transit Authority report and iPhone photos.) Plaintiff ~~[redacted]~~ was attacked by a

prison gang called "Aryan Warrior" at TLVCC (an NDOC prison). Numerous other confrontations include the 2021 attack by SWAT/law enforcement in Assumption Parish, St. Charles Parish, Orleans Parish, Thomas Jefferson Parish and Slidel, LA, after insurrection in Washington, DC (February 2021).

POINTS AND AUTHORITIES are not limited to the reason of law listed below:

The day that Plaintiff was transferred to Las Vegas City Jail to face double-jeopardy charges in Las Vegas Municipal Court, #C12478584A and #C12318024, shows this court the failure of communication by the Plaintiff's now-dismissed counsel with his client. This further shows that Plaintiff did not enter any sort of guilty plea to Case No. C-21-357927-1 and insisted upon proceeding to trial. See, State v. Huebler 128 Nev. 192, 275 P.3d 91, 128 Nev. Adv. Rep. 19, 2012 Nev. LEXIS 53 (Nev. 2012), cert. denied, 568 U.S. 1147, 133 S. Ct. 988, 184 L. Ed. 2d 767, 2013 U.S. LEXIS 1009 (U.S. 2013).

NRS 34.724 validates Plaintiff's claims of ineffective assistance of counsel in that it meets procedural requirements having been raised in a timely petition when Plaintiff had requested to withdraw his plea during a video-court appearance prior to December in which the "substitute" judge had appointed Anthony M. Goldstein to represent Plaintiff in determining the prospective motions validity. Plaintiff was prejudiced by Benard Little's failure completing an application to Mental Health Court and the delay to Drug Court interview post-conviction on December 10th.

Plaintiff has been overwhelmingly prejudiced in this case, especially with the initial statement made by the Prosecution labelling him as "a danger to society" and when Judge Tierra Danielle Jones, after Benard Little neglectfully failed to rebut the false pretenses made by Rosemarie McMorris-Alexander, made personal comments further insulting the character of the Plaintiff after he invoked his 5th Amendment rights- considering the fact prior the Plaintiff being in state custody, he had never seen Rosemarie McMorris-Alexander in person, up-close or from afar; nor had the Plaintiff communicated with McMorris-Alexander via telephone, email, social media or any other communicable device.

Plaintiff was denied his constitutional right to represent himself without counsel when the substitute judge appointed Anthony M. Goldstein. See Hollis

counsel when the (12) substitute Senior Judge Nancy Becker misappointed Anthony M. Goldstein. See Hollis

v. State, 95 Nev. 664, 601 P.2d 62, 1979 Nev. LEXIS 637 (Nev. 1979). "Unreliable" is is self-explanatory. See, Buffalo v. State, 111 Nev. 1139, 901 P.2d 647, 111 Nev. Adv. Rep. 127, 1995 Nev. LEXIS 125 (Nev. 1995).

Judge Tierra Danielle Jones and every other individual refusing to take accountability for the current injustices against Plaintiff is guilty of violating NRS 484.219 [renumbered to NRS 484E.010] and should be charged with leaving the scene of a single accident because deliberate indifference is wrong- just as Rosemarie McMorris-Alexander's lies she told on record were. See, Firestone v. State, 120 Nev. 13, 83 P.3d 279, 120 Nev. Adv. Rep. 3, 2004 Nev. LEXIS 3 (Nev. 2004). Furthermore, the credit for presentence incarceration of the Plaintiff is inaccurate. See, Griffin v. State, 122 Nev. 737, 137 P.3d 1165, 122 Nev. Adv. Rep. 63, 2006 Nev. LEXIS 70 (Nev. 2006).

Now see the FOURTH AMENDMENT OF THE U.S. CONSTITUTION (ie., "*Fruit of the Poisonous Tree*"). The Fourth Amendment requires that a search and seizure be pursuant to a warrant supported by probable cause. Exceptions to the warrant requirement under Terry include "traffic stops," of which must meet Terry requirements. The Fourth Amendment places strict limitations on the State in its exercise of power and authority.

Framing an injured worker for the second time and interferring with official acts of the pleadings of Case No. A-17-758861-C, making false claims of supposed "lifetime re-opening rights" to a claim that was catastrophic in nature and never was to have been closed is *not* a valid exercise of constitutional authority in Nevada or anywhere else in USA- *especially Colorado, Iowa, and California.*

Plaintiff committed none of these AGGRAVATING STALKING offenses as shown on record by the fallible victim, Rosemarie McMorris-Alexander, whom the Plaintiff had never even seen until brought to unfair hearings, has no clue as to where she or her family resides. And it's perfectly legal and ~~the correct way that the Plaintiff reported SEDGEWICK's scams with Diane~~

the correct way that the Plaintiff has reported SEDGWICK CMS' scams with Diane

Ferrante and Jonathon Shockley to LVMPD House Arrest Division; as it is the Plaintiff who is the real and true victim of their negligent scam of extortion. The state government trampled on Plaintiff's rights to be protected from unlawful search and seizure, his rights as an American citizen, and desecrated the Americans with Disabilities Act of 1993.

See 249 So.2d 908, 918: This miscarriage of justice is a justiciable controversy in that the dispute involves legal relations of parties who have real adverse interests, and upon whom judgment may effectively operate through a decree of conclusive which was deformed by the lies of the Defendant-Respondants, including the Nevada Ombudsman of Consumer Health Assistance.

See 155 S.E.2d 618, 621: This dispute is *not* in any way hypothetical, contingent or abstract other than the *fact* that insurance claim adjusters might be paid kickbacks and/or contingency fees to see Plaintiff-Appellant is denied his lawful indemnity, which is what has happened on more than one occasion since his incurring of numerous catastrophic injuries and multiple wrongful convictions. This court was not justiciable in accepting Plaintiff's original plea nor was it fair or feasible for Prosecution to conjure up the Information/Indictment on a permanently, totally-disabled worker as result of the false pretenses made against the Plaintiff and other injustices he has imperiously suffered.

The fact that this Court stood with a lying workers compensation adjuster's supervisor is pervasively and the continuous noticeable errors made by this Court are extremely prejudicial to the Plaintiff, harmful in the utmost ways to him and his family and friends, and warrant an immediate review by the Supreme Court of the State of Nevada. See, 178 P.2d 341.

~~To explain the conflict between attorney, Plaintiff and this Court in both civil~~ and criminal case(s), the Clark County Public Defender's Office contributed to Plaintiff's indigent status; while the history of the Las Vegas judicial system being overwhelmingly biased against injured workers and their claims shows how

being overwhelmingly biased against injured workers and their claims shows how

courts value

courts value the big insurance companies over the health, rights, and freedoms of *We The People*[...]. See, Clark v. State, 108 Nev. 324 (1992).

Plaintiff was unable to telephone Anthony M. Goldstein due to indigence and CCDC disallowing collect calls; nor was he provided any sort of telephone number to his court-appointed attorney's office and insufficiently visited by the Clark County Public Defender's office. See, Young v. State, 120 Nev. 963 (2004).

To reference for further use page __, Plaintiff-Appellant was subjected to double-jeopardy that which began before he was arrested since the warrant was illegal due to the facts that the Plaintiff was never served with any sort of summons/warrant to the charges made against him; nor was he informed that any sort of crime had allegedly taken place-especially because he did *not* reside within the jurisdiction of the State of Nevada. See, State v. Blackwell, 65 Nev. 405, 198 P.2d 288, 1948 Nev. LEXIS 65 (Nev. 1948) cert. denied; 336 U.S. 939, 69 S. Ct. 742, 93 L. Ed. 1097, 1949 U.S. LEXIS 2642 (U.S. 1949).

This false imprisonment of the Plaintiff amounts to kidnapping by the fact that both his person and his trained service animals were removed from 3041 St. Rose Parkway, Henderson, NV, to another location. See 174 N.E. 162, 163. This unlawful removal was of a substantial distance and substantial time period in an isolated place for the purpose of Sedgewick obtaining an award, facilitating numerous felonies not only by both harming *and* terrorizing the Plaintiff: The interruptions of Plaintiffs workers compensation, social security and personal injury litigations and advocacy is interfering with governmental function. See, Model Penal Code § 212.1. The abduction being purportrated by employees of Sedgewick and in coersion with law enforcement has transformed the Appellants indemnity into nothing more than a criminal ransom demand.

Not at any time has the Plaintiff ever felt comfortable with court-appointed counsel filing his MOTION TO WITHDRAW PLEA while in custody because during a prior hearing the previous case being heard involved a defendant who committed identity theft. What with Appellant being a victim of identity theft, his duress increased.

This case illustrates how the State of Nevada cares not for its citizens, visitors, nor injured workers and shows little if no regard for the health and mental/emotional security of the honest

the permanently totally-disabled, their workplaces, survivors, friends and family- let alone their pets and/or trained service animals. It is nothing more but a ploy and shallow attempt to recruit more of the poor and unlucky into the forced slave-labor camps of the Nevada Division of Forestry (NDF); so that corporate welfare may take advantage of the working-class while profitting off of the weak and underprivileged, caring not of the freedom nor of the imprisoned. The malicious prosecution employed expediative tactics in obtaining their wrongful convictions to obstruct not only the Plaintiff's entire life but they have delayed the orderly process of the criminal justice system in siding with an insurance scam over the true victim, that being this Principal and Plaintiff-in-Error, Matthew Travis Houston.

WHEREFORE, the undersigned demands that this Court conducts proper and accurate judicial reviews of this case and all others related to the Plaintiff, Matthew Travis Houston, and award him both punative and compensatory damages not less than $[redacted].

DATED: this 21st day of September, 2022.

NEVADA DEPARTMENT OF CORRECTIONS
ADMINISTRATIVE CLAIM FORM

THIS FORM MUST BE COMPLETED PER NRS 41.036, 41.0322, 209.243 AND ADMINISTRATIVE REGULATION 740

DO NOT SEND DIRECTLY TO ATTORNEY GENERAL'S OFFICE, BOARD OF EXAMINERS, OR DIRECTOR

This form is to be attached to your grievance form for any injuries or any other claim (except property) arising out of a tort alleged to have occurred during your incarceration as a result of an act or omission of the Department of Corrections or any of its agents, former officers, employees or contractors.

The following information is necessary to fairly evaluate your claim. Please provide complete information. If you need more space, attach a separate sheet of paper. You may submit additional evidence if available. Such additional evidence will be returned.

CLAIM IN THE AMOUNT OF $"UNSPECIFIED" is hereby made against the Department of Corrections, based upon the following facts:

1. NAME OF CLAIMANT (Please print full name)	2. I.D. #	3. INSTITUTION (S)
Matthew Travis Houston	1210652	TLVCC "retroactivity" HDSP Units 9 and 3

4. AMOUNT OF CLAIM	5. DATE AND DAY OF OCCURRENCE	6. TIME (a.m. or p.m.)
"UNSPECIFIED" $[redacted]	Began February 1-3, 2022, April 10-13, 2022 and June 13-July 31	I sustained various attacks

7. PLACE OF OCCURRENCE - This is retroactive to C.17.323614.1 when I left TLVCC in September 2019 and was threatened by lost name "SKYWALKER" Threatened by "SAMURAI Jimmy" in TRANSITIONAL HOUSING Feb.1, 2022, than SERRANO JOHNY in Unit 9 aka C/O BROWN April 10-13 then the survival of THOMPSON AND KNIGHT

8. Describe here, in complete detail, exactly how your claim loss or damage occurred and why you believe the institution is responsible or liable: Allegedly upon my return from EJDC, as emergency interpleadings resulting from complaint No. C.21.357427.1 and other cases, this last Wednesday there was violence in UNIT 6, which resulted in facility lockdown. These actions have nothing to do with me however, when my person is in a permanent state of trauma due to being a survivor of being victim of abuse for 39 years, much action of this world is relative to his or her well-being and survival in a hostile environment, especially because I am INNOCENT, actually and factually.

9. Witnesses. Be sure to include any staff member who may have been involved in, or has any knowledge of, your alleged loss; also, list any inmate who has actual knowledge of facts pertinent to your claim: The institution neglected to provide me with my items. The items I purchased legally were just under $500, but the type of property destruction inflicted upon my legal work by the aggressors KNIGHT and THOMPSON cannot be assigned a dollar amount, especially because when they attacked me, they attacked my clients, insulting my integrity, reputation, my probability of a successful re-entry and the community.

10. Other pertinent information: This property destruction claim has already been expidited to Chief Justice Parraguirre and all Justices as result of violence and the Def.-Res. interfering with my EN BANC SMU + BMU has been reported in EJDC to ELLI FOOHANI and the Hon. Crystal Eller. Reports being FWD to Chief Judge Linda Marie Bell, NOW SEE A.22-758861-C; C.17.323671.1 and A.22-856372-C Mary Kay Holthus and Senior Judge James Crockett. DEFENDANT MANDALAY BAY CORP'S MOTION TO DISMISS PLAINTIFF'S COMPLAINT... DEFENDANT'S MOTION TO DISMISS Upon Court's inquiry, Mr. Gourley argued the Motion to Dismiss should be granted pursuant to 12(b)(5), statute of limitations and doctrine of res judicata. Mr. Gourley noted the Complaint was difficult to follow, cited to Federal Regulations and appeared to resurrect claims related to a 2016 matter. Mr. Houston noted he had been threatened in prison, was legally blind and was denied his 7th Amendment right to a civil trial. Court stated its inclination and gave a tentative ruling. Mr. Houston requested an emergency injunction. Colloquy regarding claim preclusion and issue preclusion. Court stated its Findings and ORDERED Defendant Mandalay Bay Corp's Motion to Dismiss GRANTED (without leave to amend the Complaint) pursuant to EDCR 2.20 and on the merits. Upon Court's inquiry, Mr. McDonald asserted there was a clear statute of limitations issues, the Complaint lacked subject matter jurisdiction and it was unclear why his client was brought into the matter. Mr. McDonald noted Plaintiff had a lengthy history of litigation and was deemed a vexatious litigant in case A-23-865442-C. Court stated its inclination and gave a tentative ruling. Mr. Houston stated he filed an Opposition numerous times and Defendants refused to look at evidence for over nine (9) years. Following further arguments, Court stated its Findings and ORDERED Defendant IATSE Local No 770 Motion to Dismiss GRANTED WITH PREJUDICE pursuant to EDCR 2.20 and on the merits. Court NOTED it would evaluate vexatious litigant standards in Chamber's. COURT DIRECTED Defense to prepare the Orders with detailed Findings of Fact and Conclusions of Law, circulate to opposing party via mail, and submit to the Court pursuant to EDCR 7.21 and the current Administrative Orders. Court GRANTED an extension to 21 days to submit the Orders.;
