

IN THE SUPREME COURT OF THE STATE OF NEVADA

In the Matter of Amendment to
Supreme Court Rule 49.1 regarding
certification of servicemembers and
spouses of members of the United
States Uniformed Services

ADKT NO.: 0632

AMENDED PETITION

The Board of Governors of the State Bar of Nevada ("State Bar") hereby files this Amended Petition in ADKT 0632 which amends the petition filed on September 25, 2026. The proposed rules, as amended, are set forth in Exhibit A.

I. PROCEDURAL HISTORY

On September 25, 2026, the State Bar petitioned this Court to amend SCR 49.1. On September 29, 2026, the Court entered an order scheduling a public hearing for October 22, 2026, and inviting written comments to be submitted by October 15, 2026.

II. REASONS FOR AMENDMENT

The State Bar proposes the following revisions to resolve ambiguities in the previously proposed rule's application to military servicemember and spouse applicants.

III. SUMMARY OF CHANGES

1. SCR 49.1(2)(b): added language to ensure that the denied admission bar serves its intended purpose, protecting the public from applicants with character and fitness concerns, without inadvertently barring military

1 servicemember or spouse applicants whose only prior denial was based on
2 grounds unrelated to their fitness to practice law in Nevada.

3 2. SCR 49.1(3)(e)(1): Clarifies that SCRA's license portability provision does
4 not require that the servicemember's military orders direct the
5 servicemember to serve in Nevada, but rather that the servicemember and
6 spouse have relocated their residence to Nevada because the servicemember
7 received orders for military service in a state other than the state that issued
8 the covered license.

9 3. SCR 49.1(7)(b)(2)(B): Corrected a typo in line 1 of SCR 49.1(7) and
10 refined the transfer based termination language to include Nevada's
11 environs because military installations near Nevada's borders may result in
12 servicemembers assigned just outside Nevada whose families continue to
13 reside in Nevada.
14

15 **VIII. CONCLUSION**

16 For the foregoing reasons, the State Bar respectfully requests that this Court
17 accept this Amended Petition for adoption of the rule amendments set forth in
18 Exhibit A.
